

Mental Health Matters: A Better You, A Better ADMH

Continuing Education Credits

Q. Will Contact hours for Continuing Education be offered for sessions attended? If so, what disciplines?

A. Yes. A variety of contact hours will be offered for sessions attended, including the Alabama State Board of Social Work Examiners, the Alabama Board of Nursing, and the Alabama Board of Examiners in Counseling. Others may be offered where possible.

Please check the full conference program for details on specific sessions and CEs offered. If the discipline is not listed, unfortunately, those contact hours will not be offered.

Q. When will I receive my certificate of attendance/contact hour verification?

A. After the conference has concluded, beginning July 1, 2026, please allow 30 days to process certificates. Please be patient as it will take time for information to be verified, entered, and emailed to the recipients.
