

This online, self-paced program helps nurses increase their competence in prevention, identification, and assessment of diseases and conditions commonly experienced by people working in agriculture.

Earn 23 hours of ANCC Continuing Nursing Education

- The AgriSafe Nurse Scholar program is an online learning experience taught by expert health and safety educators.
- Learners can complete the program online 24/7, whenever convenient for their schedule.
- Upon completion of the program, nurses can immediately download their certificate of attendance and receive a digital badge to acknowledge and share their accomplishment.

CONTINUING NURSING EDUCATION: SPECIAL OFFER! Qualifying nurses can apply to take the program for 50% off

Nurses who work for a U.S. rural nonprofit clinic, nonprofit organization or hospital, FQHC, school, or educational institution are eligible to receive 50% off the registration fee! This scholarship reduces the program cost to \$250.
